

Jasper County Solid Waste Changes are coming your way

Jasper County Residents

To help keep Jasper County clean and green, we are happy to announce that we are now offering a full recycling program at our convenience center located off Highway 11 and Ted Sauls Road.

All you need to do is find a container, mix your recyclables together (no need for separating) and when full, bring them to the convenience center for drop off and they will be recycled.

Recycling is an all-around good decision for our community because it preserves natural resources and decreases greenhouse gas emissions.

Items you can recycle as part of Jasper County's residential drop off program

Newspaper and Inserts • Cardboard Boxes • Pizza Boxes • Kraft Paper • Cereal Boxes • Paper Towel Cores • Tissue Paper cores • Tissues Boxes • Computer Paper • Office Paper and File Folders • Calendars • School Papers • Magazines • Shopping Catalogs • Envelopes • Paperboard • Paper Grocery bags • Soda and Beer cartons • Telephone Books • Paperback Books • Paper Lunch Bags • Paper & Plastic Grocery/Shopping Bags • Discarded Mail • Carbonless Paper Forms • Aluminum Beverage Containers • Steel/Tin Food Containers • Glass Bottles and Jars (Green, Brown, Clear) • Plastic Bottles #1 (Water or Soda Bottles) • Plastic Bottles #2 Natural (Milk Jugs) • Plastic Bottles #2 Pigmented (Laundry, Shampoo Bottles) • Plastic Bottles #3-#7 (Mustard Bottles) • Greeting Cards • Shoe Boxes

Help keep Jasper County clean and green.
